The venue for our Monthly Meetings and some Saturday Specials is MADGINFORD HALL, EGREMONT ROAD, BEARSTED, MAIDSTONE KENT ME15 8LH. We are able to have the Hall exclusively for the evening and have, therefore, decided to RETURN TO THE ORIGINAL MEETING TIME OF 8pm - 10pm, which gives people who are at work a little more time to get to us. There is plenty of parking right outside the Hall.

The Healing and Meditation Mornings, Workshops and Monthly Development Groups will still be held at TOVIL WORKING MEN'S CLUB, LOWER HALL, TOVIL HILL, MAIDSTONE ME15 6QS - plenty of parking. There are maps of both venues on the website. www.msdc.org.uk In order to remain an independently run, proactive Spiritual Development Centre, we have been advised that the membership should be changed to "Friends of" MSDC. All current members will now be known as "Friends" and new supporters will automatically become "Friends". If you would like to become a Friend, please contact us and we will let you have the necessary form or pick up one from our desk at the meetings. Friends are allowed the use of the library at 50p per book per month, have first sight of the new Programme and cheaper entrance fee to many events. All fees will remain the same for 2010. We thank you so much for your continued support and hope you enjoy this Programme of Events.

JULY

**** Saturday 3rd July - Psychic & Spiritual Development Morning with Medium, PAUL WAYMAN @ Tovil Working Men's Club. 10am till 1pm - £5 (which includes free tea/coffee and biscuits throughout the morning).** Whether you are a newcomer starting to explore your psychic potential, or are more experienced and looking to refine, practice and expand your abilities, the Development Mornings are a good way to both start and continue with your psychic and spiritual development. Everyone has psychic ability and these mornings are an effective way to discover your best way of developing them in a friendly and supportive environment with the emphasis being on:

- Understanding the psychic and spirit worlds and how to connect with them.
- Practical exercises designed to demonstrate what you have learnt (e.g. linking with spirit, readings, etc.).
- The opportunity to challenge and expand yourself if, and when, you are ready to progress further (e.g. one to one readings, platform work, etc.).
- The opportunity for those already developing within circles, etc. to practise your readings on people you have not worked with before, something that can be hard to arrange at times.
- The day is open to everyone with no previous experience assumed or necessary. It is structured to allow everyone to practice and discover all aspects of themselves and their abilities and if it is your first time, be reassured, there are always a number of people who have never attended before so you will never feel like an 'outsider' if you are attending alone. You will be made to feel most welcome. Pre-booking is not necessary - simply turn up on the day.
