**\*\* Sunday 9<sup>th</sup> July - Workshop with Darren Brittain entitled 'Spirit and YOU - The unfolding and awareness of your Spiritual potential' - Please note venue address below**

Who you REALLY are is Spirit. What Spirit is searching for is expression. What YOU'RE looking for is purpose. How can we combine the three? This course is specifically aimed at helping you to uncover your inherent psychic and spiritual abilities and to help you explore them in a safe, relaxed, and nurturing environment. We will specifically look at how Spirit communicate with us, whether it be through evidential mediumship, psychic intuition, or through healing. The Power of your own Spirit has a desire to be expressed in Its own individual, unique way and this workshop could be the opportunity your Highest Self needs for you to truly 'hear' Its call and to act on it. Throughout the day there will be lots of opportunity for you to experience your awareness of Spirit, as well as what you can learn, and teach, through that connection. The ego of the medium also has an important role in our experiences and so we will look into how that can limit, enhance, and influence our spiritual work with the understanding that your mediumship will always be a reflection of you. As we grow and evolve, so does the phenomena our abilities present so there will also be opportunity for you to demonstrate your abilities in pairs, small groups, and to the group if you feel inspired to. Regardless of your level of education or experience this workshop offers you the opportunity of self-discovery; one with a potential of healing, and one where your confidence and enthusiasm in you and your Spiritual work grows! **Venue for this event is Grove Green Community Hall, Penshurst Close, Weaving, Maidstone, Kent ME14 5BT (opposite the Tesco Petrol Station).** 10:00am - 4:00pm, £30 for Friends of MSDC/£35 for others.
